DESCRIPTION FROM SURVEY

Beginning at the Northwest Corner of the NE1/4 of the NE1/4 of Section 31, Township 2 South, Range 1 West of the Uintah Special Base and Meridian; Thence South 00°12'34\"/>

NARRATIVE

This survey was performed at the request of Nabors Well Service Co. For the purpose of establishing the boundary line of the shown parcel. The Public Land Survey System corners needed to control this survey were found and used as noted at each corner. This parcel is composed of two parcels as described on page 610, Book A265 of Deeds which overlap each other as indicated on the plat. The East line of the parcel described by the first description on said page 610 was originally surveyed by me in 1974 and the Southern portion is presently marked by an existing fence. The parcel was monumented as shown on the plat.

SURVEYOR'S CERTIFICATE

This is to certify that I have surveyed the parcels of land shown on this plat, and that the monuments indicated were found or set during said survey, and that this plat accurately represents said survey to the best of my knowledge.
